WHAT WE STAND FOR

The Education Service in Fife plays a key role in taking forward the wider aims of Fife Council. As part of the Education and Children’s Services Directorate, our vision and what we stand for is “Improving Life Chances for All”.

THE VALUES AND PRIORITIES OF THE EDUCATION SERVICE

Dear Parent

Welcome to Lumphinnans Primary Community School. This book contains general information about our school, our aims and the curriculum we deliver. We aim to work together to ensure everyone involved in the school feels valued and contributes to school life.

We look forward to working with you in many different ways.

Yours sincerely

Mrs Linda Skelding
Headteacher
**SCHOOL ETHOS**

The school ethos is based on our mission statement - Be All You Can be.

Through all the work of our school we aim to develop the four capacities of Curriculum for Excellence.

These are:

- Confident Individuals
- Responsible Citizens
- Effective Contributors
- Successful Learners

We strive to celebrate the many achievements that our pupils are involved in. Whole school assemblies and regular newsletters share these with other pupils and families and we continue to develop further opportunities for this to happen.
BUILDING

Lumphinnans Primary Community School is a multi purpose establishment catering for the mainstream education of primary aged children. The school building also incorporates a thriving Nursery and Support Centre, serving pupils from West Fife. The school also has a Breakfast Club which runs from 8.00am - 8.45am (last sitting for breakfast is 8.30am) for Lumphinnans Primary pupils only.

Cowdenbeath After School Club also use the community lounge after school. All enquiries re booking the Community Lounge please phone 01383 602346.

Lumphinnans Primary Community School was built in 1892 and typifies the Victorian tradition in its construction. A wide corridor extends the full length of the school with classrooms situated on both sides opening onto it. We have disabled access for pupils and adults.

In 1990, the school opened as Lumphinnans Primary Community School, providing leisure and recreational facilities as well as adult education to the whole of the local community.

In 2006, the school was further extended with the addition of a custom built games hall.

Improving the school building continues through Fife Council planned maintenance projects.

Other Information

If any parent/carer has concern about their child we would encourage you to make early contact with the school. If a concern can not be dealt with through normal communication with the class teacher then we would ask parents/carers to request an opportunity to speak to a member of the School Leadership Team. The Leadership Team strive to be available when parents/carers come into school but on occasion it may be necessary to arrange an appointment for a mutually convenient time to discuss your concern.

Any new pupils who enrol throughout the school session will have the opportunity to visit the school and discuss the placement with the Head Teacher. Following this, visits will be organised for your child to meet their class as appropriate before starting.

NAMED PERSON

The Children and Young People (Scotland) Act 2014 includes making a Named Person available for every child, from birth until their 18th birthday (or beyond, if they are still in school). In most cases, the Named Person will not have to do anything more than they normally do in the course of their day-to-day work.

Most children and young people get all the help and support they need from their families, from teachers and health practitioners, and from their wider communities – the Named Person does not change these roles.

However, some families may need extra help and that's where the Named Person comes in. This means that the child and their family have a single point of contact who can work with them to sort out any further help, advice or support if they need it.

The Named Person for your child is Mrs Linda Skelding, Headteacher (from Primary 1).

ENROLMENT

Children who reach the age of 5 on or before 17 August 2020, must normally start school in August 2020. Children who reach the age of 5 after August 2020, but before 29 February 2021, may also start school in August 2020, though parents are not obliged to send their children to school until the first entry date after their fifth birthday.

Parents of children in either of these categories are asked to enrol their child at their catchment school before Friday, 31 January 2020.

Choice of School

Parents have the right to make a placing request for the school they wish their child to attend. This applies whether the child is about to start school or whether he/she is already attending primary, secondary or additional support needs school. Parents wishing to send their child to a school other than the catchment school should apply to the school of their choice as soon as possible and, in any case, before 15 March 2020. Parents must also enrol their child at their catchment school to ensure a place is available if a placing request application is refused.

Headteachers must provide information to parents on how to make a placing request for the school of their choice. In the case of children starting school for the first time ‘Choosing A School – A Guide for Parents’ is available online at www.scotland.gov.uk. Individual school booklets will be provided by the Headteacher of individual schools and can be accessed online at www.fifedirect.org.uk. School catchment areas can be accessed online at www.fifedirect.org.uk/catchmentchecker

APPLYING FOR A NURSERY PLACE FOR YOUR CHILD

From August 2020 the number of funded hours of early learning and child care for all three and four year olds as well as eligible two year olds will almost double to 1140 hours a year. This will provide families with greater choice and flexibility over how their child care needs are met. In order to ensure every three and four year old child has a nursery place, every child attending nursery between August 2020 and July 2021 needs to submit an application to their preferred preschool setting/s between 6th and 31st January 2020.

Three and four year old intakes

What are my options for early learning and childcare?

Fife Council are providing the following three options in your local area.

1. Term time (38 weeks a year) – 5 days a week, Monday to Friday from 9:00am to 3:00pm.
2. Full Year (46 weeks a year) – 2 ½ days a week, Monday/Tuesday full days from 8:00am to 6:00pm, and Wednesday morning ½ day from 8:00am to 12:48pm or Wednesday afternoon ½ day from 1:12pm to 6:00pm, and Thursday/Friday full days from 8:00am to 6:00pm.
3. Full Year - (49 weeks a year) – ½ day sessions - Monday to Friday morning sessions from 8:00am to 12:40pm or Monday to Friday afternoon sessions from 1:20pm to 6:00pm.

You may also access your funded 1140 hours early learning and child care from a private...
nursery or play group or childminder in partnership with Fife Council. It will also be possible to share hours between different early learning and child care providers.

Extended and wraparound early learning and childcare will also be available in some nurseries where there is capacity. You will be informed if this is available in your nursery once you have accepted a place for your child. You can then choose to pay for additional hours over and above your entitlement, where this service is available.

You are asked to provide five choices on your application form as some nurseries or session times may be oversubscribed. In the event we are unable to offer you your first choice, we will then look at your other nursery choices to see if we can offer you one of these.

An admissions policy is in place to ensure fairness when allocating places – this can be found at www.fife.gov.uk

Applications for Fife Council nurseries for three and four year olds must be received by the 31st January 2020 in order to be included in the process which allocates places for the following academic year. Late applications received on or after the 1st February 2020 will not be considered until after the full application process has taken place for this age group.

Applications for private nurseries, play group and childminders in partnership with Fife Council should be made directly with individual establishments and services.

Families with children who currently attend nursery and are due to return for their preschool year in August 2020 will be eligible for 1140 hours of funded early learning and child care. Therefore, families who wish for their child to attend a Fife Council nursery will be required to make a new application for their child in January 2020.

**When should my child start nursery?**

- Nursery intakes take place three times during the academic year. If your child was born between 01/03/2017 and 31/08/2017, they will be eligible to access funded ELC from August 2020.

- If your child was born between 01/01/2018 and 28/02/2018, they will be eligible to access funded ELC from April 2021.

Applications for any of the above intakes must be made in January 2020.

**How to apply**

Application forms are available from all Fife Council nurseries, local council offices or online at www.fife.gov.uk. Applications should be returned to your first choice nursery, along with any proof requested. Applications must be received by 31st January 2020 for any child who will be attending a Fife Council nursery between August 2020 and July 2021. You will be notified in April by the school or nursery to advise you of where you have been offered a place.

Your child can select two courses from:

Home Made Soup or Daily Dessert or Fresh Fruit
Plus
The Hot Dish of the Day or Filled Baked Potato or Salad

The current cost of a school meal is £2.20 (from 1st April 2019 to 31 March 2020). Money for school meals should be paid on Monday mornings. Children may bring packed lunches to school and eat in the dining room.

SPECIFIC DIETARY REQUIREMENTS

Fife Council is committed to providing a school meal service to all pupils who require them and will provide a specialised dietary service for certain children through discussion between the child, parent/guardian, and the school. Special diets will be provided on the basis of

- Religious requirements
- Cultural/ethical reasons
- Therapeutic diets will be provided on the basis of Medical conditions (as recommended by a doctor or dietician.)

It is not possible to meet individual requests for diet unless they are based on the reasons above.

If the child is known to have an allergy to nuts/nut products then our Allergies – Policies/Guidelines should be read in conjunction with this policy.
SCHOOL MILK
Fresh chilled milk is available in all Primary Schools, and currently costs 24p per carton (from 1st April 2019 to 31 March 2020).

The money for this is collected termly.

WATER IN SCHOOLS SCHEME
All pupils have access to chilled water throughout the school day.

HEALTHY TUCK SHOP INITIATIVE
A healthy tuck shop can help encourage children to adopt good eating habits. Therefore as part of the whole school approach to food schools are being encouraged to establish healthy tuck shops within their schools. The Food in Schools group has developed a Healthy tuck shop/Vending policy which gives schools guidance on suitable products for inclusion in a healthy tuck shop initiative.
CURRICULUM

Fife schools follow Curriculum for Excellence, a national framework which is providing our children with learning experiences and opportunities to prepare them for learning, life and work in a changing world. Children learn actively in eight different curricular areas following a curriculum designed by each school to reflect their particular needs and circumstances.

All schools follow the same principles in designing the curriculum, aimed at ensuring that children have the experiences and opportunities to become –

- Successful Learners
- Confident Individuals
- Effective Contributors
- Responsible Citizens

Literacy, numeracy and health and wellbeing are addressed throughout the curriculum and children’s wider achievements are fully recognised and celebrated, reflecting the value given to wider learning and children’s experiences out of school.

Children are fully consulted throughout their learning and in decisions about what they learn and how they learn it. There are opportunities throughout the school year for parents to receive information and be consulted upon the curriculum children are following, particularly in relation to more sensitive aspects of learning.

Religious and moral education is a core subject for all pupils attending primary and secondary schools in Scotland. Schools also provide opportunities for religious observance in order to promote the spiritual development of the school community. Parents can choose to withdraw their children from participation in religious education or religious observance. Parents wishing to do this should contact the headteacher. The school will make arrangements for pupils to participate in a suitable alternative activity.

Further information about the curriculum is available on the school website, and more general information regarding Curriculum for Excellence can be found at Parentzone (http://www.educationscotland.gov.uk/parentzone), a national resource developed by Education Scotland on behalf of the Scottish Government.

At Lumphinnans Primary Community School we are committed to increasing opportunities for pupils to participate in a wider range of extra curricular activities. Taster sessions and clubs may vary throughout the year and we will aim to provide opportunities for children across the year groups in school. We work closely with the Active Schools Co-ordinator at Beath High School who supports our programme of physical activity and opportunities.
ASSESSMENT AND REPORTING

Assessment

Broadly, across Fife primary schools two forms of assessment are used to support your child's development:

Summative assessment- which focuses on measuring current performance in terms of how successful the learner has been measured against national benchmarks, and formative assessment which gathers information about pupils' learning which is then used to help plan next steps in learning. Both types of assessment help teachers improve their teaching and the support they give to their pupils.

Summative assessment takes the form of standardised classroom based tests which measure how well your child is performing for their age and stage. Their purpose is not to compare your child with others but to provide the school with information to ensure that your child's learning needs are being addressed.

Formative Assessment is an integral part of your child’s day to day learning and provides a range of information to support your child in moving their learning forward. This less formal assessment takes many forms including observing children’s engagement in classroom tasks and providing individual feedback to pupils to support them in identifying their own next steps in learning.

Within our school we track pupil progress and plan future learning using a range of summative and formative assessment strategies. Class Teachers meet with the headteacher on a regular basis to discuss pupil progress. Consultation meetings involving the Support for Learning teacher, Pupil Support Assistants, Class Teachers and the Headteacher are held twice a year (or more if circumstances demand) to discuss the provision for pupils whose progress does not match their peers. Our teachers plan and assess collaboratively to ensure the progress of pupils across the school is moderated.

Reporting

In all Fife schools teachers’ reports about each pupil’s learning play an important part in providing useful feedback about learning, for parents and carers and for other teachers and adults concerned with the young person’s learning, progress and achievements.

Effective, constructive feedback to parents should be clear, positive, specific, supportive and give an honest appraisal of pupils’ progress. Feedback will be provided for parents at parents’ meetings and in formal written reports. Formal written reports will be based on the personal learning planning and informal records that have been shared with pupils and parents regularly throughout the year. Reports provide an overall summary of progress, achievements and next steps in learning in line with Curriculum for Excellence.

We report verbally to parents about their child's progress at meetings held twice annually. Learning Logs (containing informal written reports and evaluations) go home throughout the
year and can be seen at anytime.
INSTRUMENTAL INSTRUCTION

Children who show musical promise may qualify for instrumental instruction. The types of instrument offered by Fife Education and Children's Services are violin, viola, cello, double bass, clarsach, woodwind, brass, piano/keyboard, bass guitar, guitar, percussion, chanter and pipe band drumming. The type of instrument available differs from school to school and generally only one type will be available to children in a school.

There is a charge for tuition. The rate may be subject to change, but the current rate would be notified at the time of interview. This may be paid in instalments or by Direct Debit and concessions may be available.

Please tell the Headteacher if you do not wish your child to be considered for instrumental instruction.

ATTENDANCE

If your child is enrolled in school, you are legally obliged to send your child to school on a regular basis. To prevent any misunderstanding, please contact the school immediately if your child is not able to attend. Please send an explanatory note with your child when he/she returns to school; otherwise the absence will be recorded as unauthorised.

In occurrences of long term illness it may be possible for instruction to be given at home on a part-time basis.
HEALTH CARE

Should your child be taking medicine or have a medical condition which might affect his/her school life, it is essential that you notify the school of the condition and its implications. This information will be treated in strictest confidence to ensure the wellbeing of your child. Where necessary an Education Health Care Plan will be developed for your child in consultation with you and relevant health services.

Should your child become ill or have an accident while at school that requires medical attention, we shall:

- try to contact you by telephone, if this is possible, or arrange for a message to be sent to you.
- telephone the health service, if necessary, and arrange for your child to be taken by you or someone else nominated by you for medical attention.

From time to time children are offered a medical examination or review by the schools Community Paediatrician or School Nurse from the School Health Service. These can be either routine examinations carried out for all children, or where a health concern has been identified. As parent/carer you will be notified in good time so that you may be present if possible.

School Nursing Service

Each school has access to the school nursing service. If you wish to contact your School Nurse please speak to your school.

School Based Immunisation Programmes

All pupils will be offered to participate in The Scottish School Based Immunisation Programme that is led by Fife Health & Social Care Partnership in partnership with education.

Parents will be notified and invited to participate by the Centralised Immunisation Team when the age appropriate immunisation programme is to take place within their child’s school.

CHILD PROTECTION

Our school, like all schools in Fife, is concerned with all aspects of a child's health and wellbeing. We aim to provide a safe and supportive environment and work together with other agencies to ensure that all children are safe and protected from harm. The school follows the Education and Children's Services Child Protection Guidelines in all aspects of Child Protection and Care and Welfare. Our school has a child protection co-ordinator (Mrs Linda Skelding) who will deal with all child protection issues and with whom any concerns can be discussed.
TRANSPORT

Our current policy offers free home-to-school transport to primary school children who attend their catchment area school and live more than one mile from it and to secondary school children who attend their catchment area school and live more than two miles from it. Distances are measured by the shortest available walking route for an accompanied child. However, if you choose a school other than your catchment area school, the Council will not provide any assistance with the cost of transport.
SUPPORT FOR PUPILS

Some children require additional support to make progress in school. Such support takes a range of forms – extra consideration by their class teacher, use of IT to support learning, support from a Pupil Support Assistant, time with a support teacher and in a few cases an alternative placement to, for example an additional support needs class. In some cases help may be provided from services external to the school such as the Psychological Service or by the Supporting Learners Service.

If you are worried about your child’s progress and think he or she might have additional support needs you can either raise this with school staff at a parent’s evening or make an appointment to discuss this at another time. School staff will listen closely to all your concerns and together you can decide on the next steps. Ongoing support will be co-ordinated by the headteacher of the school.

Each class teacher will ensure learning needs are met in their class and be aware of any concerns about a pupil’s wellbeing.

If you would like to know more about how additional support needs are identified and assessed please contact the headteacher of your child’s school. Further information may also be available from the school’s link Educational Psychologist and the Learning Support Teacher.

The Additional Support for Learning Act

If you are concerned that your child/young person has additional support needs you can request, by writing to your school, an assessment to decide if there are additional support needs. If your child has additional support needs which are long term and involve a number of services, you can ask for a coordinated support plan to be established.

Schools in Fife work in partnership with parents and aim to agree with you the best way forward for your child. Where agreement cannot be reached between you and the school, it may be helpful to involve an educational psychologist or education officer. The school may suggest this, or you can request such involvement. Where a disagreement persists, relating to additional support needs, you are entitled to free independent mediation.

You can also ask for independent adjudication for disputes about how the local authority is exercising its functions under the Education (Additional Support for Learning) (Scotland) Act 2004 as amended 2009. Additional Support Needs Tribunals can be accessed for disputes relating to Coordinated Support Plans, including placing requests where there is a CSP.

If you require further information about any of the above you can contact Alistair Haldane, Education Manager at Alistair.Haldane@fife.gov.uk or on 03451 555 555 Ext 444224.
Parents can also contact Enquire - the Scottish advice service for additional support for learning. Operated by Children in Scotland, Enquire offers independent, confidential advice and information on additional support for learning through:

- a telephone helpline – 0845 123 2303
- an online enquiry service – info@enquire.org.uk
- two websites – www.enquire.org.uk (for parents/carers and practitioners) and www.enquire.org.uk/yp (for children and young people)

Enquire also provides a range of clear and easy-to-read guides and factsheets explaining everything from ‘additional support in the early years’ to ‘what planning should take place for moving on from school’.

Letâ€™s Talk ASN Scotland is a national, free and independent legal advice service for parents of children and young people with additional support needs and can support in relation to a dispute with the education authority.

Letâ€™s Talk can be contacted at letstalkasn@edlaw.org.uk or at 0141 445 1955.

Children and young people can also exercise their own rights to access an assessment of their additional support needs, access advocacy and support to resolve disagreements with their school or the education authority. To access this support, the child or parent can contact My Rights, My Say to make a referral, email help@myrightmysay.scot. To find out more about the childrenâ€™s service by contacting our helpline on 0345 123 2303.

**EQUAL OPPORTUNITIES**

Fife Council’s schools promote Equal Opportunities for all pupils. All schools take problems of bullying and racism very seriously, and have procedures for dealing with hate incidents and supporting pupils and parents.

**PARENTAL INVOLVEMENT**

We are committed to partnership with parents. We have an active Parent Council and provide many opportunities for parents to get involved in the life of the school on an occasional or regular basis. We hold parent/teacher interviews twice annually for you to discuss your child’s progress. All pupils have a Learning Log in which they record targets, examples of evaluated work and information from their teacher about progress. Your child will bring their Learning Log home over the year to share their learning with you.

There are opportunities for Nursery parents to come in to discuss their child’s transition to P1 and also opportunities for P.7 parents to discuss transition to S.1 programme. We are a feeder school for Beath High School.

Parents have the opportunity to ‘share their child’s learning’ during planned sessions and to attend class assemblies.

Parent Workshops will be held when appropriate throughout the school year.
THE SCHOOL TO WHICH YOUR CHILD WILL TRANSFER

On completion of primary education the normal arrangement is for children to transfer to the catchment secondary school associated with their home address. However parents can make a placing request to attend a secondary school other than the catchment school and further information on how to do this is available in the booklet, Choosing a school – a guide for parents, which is available online at www.scotland.gov.uk/Publications/2010/11/10093528/0

DEFERRED ENTRY TO PRIMARY SCHOOL

Currently children with January or February birthdays are entitled to a further year of funded nursery education at parental request within a local authority or a Partner Provider nursery.

Parents of children who are 5 after the start date of the new school session and on or before the 31 December are not entitled but can request a discretionary additional year in nursery for their child. Requests are not always approved. Decisions on deferred entry requests are made by Education Managers based on information provided to them including assessment by the Headteacher and staff of the nursery, and at times the link educational psychologist.

A deferred entry to school has significant implications for any child and these decisions are not taken lightly. There needs to be careful consideration of how a childs needs can be best met, with full knowledge of the support that can be provided within a nursery setting, a mainstream primary school or a more specialist provision. If a school deferral is considered to be in a childs best interest, existing resources are used to accommodate the additional year within a Fife Council nursery.

Parents should speak with their nursery Headteacher if they have any concerns about their child starting school or should they wish to find out more about deferred entry to school. Further information on deferred entry can be found on Fife Direct.
SCHOOL IMPROVEMENT

The Standards & Quality Report / School Improvement Plan reports on our main achievements in the previous academic year and on how we are improving standards. It shows plans for future improvements, including information about how parents can be involved. All parents receive a summary of this document and the whole document is available as a hard copy in school for parents to read. These documents can be made available to prospective parents on request.

All our school policies reflect Fife Council policy and are currently under review to ensure they reflect the good practice in the school. Information about policies is available on request.
DATA COLLECTION

Fife Council collects information on pupils, parents and other carers to enable the provision of educational and other support services including personal data, contact details, pupil’s attainment records and health information.

We are keen to help all our pupils do well in all aspects of school life and achieve better exam results. Sometimes the best way is by sharing information with our partner agencies including NHS Fife, Fife Constabulary, Careers Scotland and the Scottish Government Education Department. These agencies have a responsibility to protect children, young people and vulnerable adults and sharing information between agencies helps to do this. Examples include: the provision of dental services, immunisation programmes and road safety campaigns.

The benefits of data sharing.

Sharing information between partner agencies ensures integrated service provision which provides a positive contribution to the safety and well-being of children and young adults.

Data sharing helps:

- protect children and young people from suffering harm, abuse or neglect;
- ensure children and young adults with additional needs get the services they require;
- enable pupils to achieve their academic potential and attain their goals;
- plan future services

What information can be shared?

Information collected through enrolment forms or provided by parents and other carers will be held on computer systems and used within Fife Council for the purposes of furthering education and training, pupil care, career guidance, health monitoring and Parent Council elections and advice.

Information will be shared with partner agencies when there are clear concerns about the care, safety and welfare of children, young people or vulnerable adults and to aid careers planning. If you have any questions or comments on the information we share please contact David Smith, MIS Team Leader at education.data@fife.gov.uk

Personal data will not be shared out-with the above circumstances and information will not be disclosed to any third parties except where permitted or required by law or where informed consent has been received. The uses of the information are covered by the Council’s registration under the Data Protection Act 1998.
