TIPS AND HINTS for the holiday period

- Talk to your support worker or key worker about what help you might need over the holidays. Come up with a plan for how you will cope and what you can do to keep well.
- Remember that services will be open again in a few days.
- Get the phone numbers of the out of hours and emergency services that will be available. Put this near your phone, or somewhere you can find it easily.
- Find out 'What's on' in Fife by checking the Council website www.fifedirect.org.uk/events or www.kingdomfm.co.uk/whats-on. You can click on a date and it will give you all the listings for that day.
- Think ahead about transport for anything on 25/26 December or over the first few days in January. Check out options for sharing a taxi with a friend or getting a lift.
- If you are going to a group like AA that is on over the holidays, phone the contact person beforehand and ask if you can share transport with other people.
- Think what you enjoy doing and how you can do it with other people – if that's what you want.
- Don't feel you have to include everyone or a big group. It can just be you and one or two pals.
- Talk it over. Ask what each person enjoys. Once you get talking you'll come up with things that you all be happy doing. Go to the library the week before the holidays. Stock up with books and DVDs – things to keep you going.
- Make sure you have enough food in to last you over the days when the shops are shut. If you've got food at home and are looking after yourself it's easier to cope with all the other hassles and temptations.
- Remember to stock up with other things that help you be well – like any medicines you take, or remedies for colds and flu.
- Get into a pattern that keeps you well before the holidays— like going for a walk each day and eating well.
- Check your local paper for details of support organisations providing Festive meals on Christmas or New Year's Day.
