Dear Parent/Carer

Woodmill High School DAS Pupils

I hope that all parents/carers and pupils are staying safe during this challenging time and that pupils are engaging in their learning with their teachers from Woodmill High School.

I am writing to you to provide you with an update on the current restrictions and how they impact on Woodmill HS. Unfortunately, due to the current COVID-19 pandemic, it has not been possible to continue with construction work at Woodmill High School, since March. Specifically, this means that the new modular accommodation, to allow Woodmill DAS to return to their own setting in August 2020, will not be ready until after the October holidays.

Therefore, we are in the position where we need the pupils of Woodmill DAS to remain in Blairhall Primary School, between August and October 2020. This also means that all Blairhall pupils, will remain within Tulliallan Primary School during this time.

Mr McIntosh or Mr Parnham will be in touch with parents to ensure that a transition is organised for new pupils joining the school in August 2020 and of course the transportation will still be in place to take pupils to Blairhall.

This is not the position anyone was hoping for, but I trust you understand that this is the only option open to us at this time. Thank you for your continued patience and understanding.

Yours sincerely

Shelagh McLean
Head of Education and Children’s Services
